Catherine Buggiani May

This year's *Proctorian* is dedicated to Catherine Buggiani May, whose friendship, guidance, and inspiration we have cherished. A 1956 graduate of Proctor High School, she was voted the most intellectual in her graduating class. While a student here, she was involved in numerous extra curricular activities including basketball, softball, rifle club, cheerleading, class secretary, and the *Proctorian*. She attended the University of Vermont for two years and graduated from Castleton State College in 1969.

Over the past twenty-two years Mrs. May has taught English and French. She has given up countless amounts of time to coach the spelling team, coordinate the Vermont Writing Competition, and organize and chaperone European trips for French students.

She is married and has two children, Jon and Jeffery, as well as two grandchildren. We thank them for sharing her with us and it is with pleasure that we honor her with this dedication.

Angela DeBlasio

Last summer Proctor sent one student to the Green Mountain Teen Institute (GMTI). Chosen from the group of Peer Leaders, Angela attended a week long training which has been described as "a combination of prevention workshops and summer camp." Graduates leave with important information on reducing alcohol and drug use in their school and communities, as well as forming enduring friendships with other Vermont students. She is actively involved in other Peer Leader activities, often as coordinator, and frequently takes the initiative in other prevention activities.

Under the supervision of Mrs. Sherman, members of the *Proctorian* '00 managed to complete this album of classes, activities, and graduating seniors. The creation of these pages kept the staff busy during much of their free time. They faced no easy task in sorting pictures and organizing fundraising and yearbook sales. The staff appreciates the support of the Rutland and Proctor communities for our successful parton campaign.

Debate

Left to Right: Angela DeBlasio, Advisor Mr. Bloodworth, Tyler Smith-Strutz, Susan Gershon.

The debate season is short, from late November to March. The team had to be prepared to argue either affirmative or negative on the following resolution: *It is resolved that the federal government should establish an education policy to significantly increase academic achievement in secondary schools in the United States.* They spent many evenings preparing for the competitions at Proctor, Rutland, and Mount Saint Joseph Academy. It was a very successful year with Angela returning and the dedication of novices, Tyler and Susan. The team won first place in all four statewide novice tournaments, and both team members have been ranked as one of the top three speakers in at each competition. The team appreciates the help of Rutland Coaches Gordon and Dr. Dritschilo.

Art Club

The Art club is new this year. It was established by a group of dedicated art students who spend much of their free time in the art studio. With the help of their adviser, Mrs. Tuscano, they prepare different pieces of art using many different kinds of media. They also learn about artists of the past and present. They have a lot of fun and encourage others to join.

Winter Carnival Week

This year's Winter Carnival Week, although a day shorter than usual due to a snow day, was a great success. Students displayed their school spirit on Maroon and White Day, their fashion sense (or lack thereof) on Clash Day, and their pajamas and headgear on the combination of Pajama and Hat Day. Participating allowed students to have a lot of fun while earning points for their class.

The week also included spirit basketball games against West Rutland and a Variety Show. Both Proctor varsity teams were victorious in their games, and were cheered on by the many fans who came to watch. The Variety Show included singing, dancing, and acting, ranging from elementary school students singing about scout camps to PHS faculty members Paul Wager and Jana Beagly performing "The Leader of the Pack," accompanied by Lynn Blair, Cyndie Clark, and Claire Molner.

The Class of 2000 Wins Winter Carnival

The annual Winter Carnival was a great success, with far more seasonal weather than in recent years. The Sophomore class sponsored a wonderful breakfast to kick off the day, and the Junior and Freshman classes provided lunch in the cafeteria and snacks at the warming hut.

The Class of 2000

The seniors savor their fifth consecutive victory

The Class of 2002

The Sophomores won second place and hold high hopes for next year.

The Class of 2001

The Juniors won third place and the Sportsmanship Award.

The Class of 2003

The Freshmen came in fourth place.

The Maroon Team

The Maroon team came in fifth place.

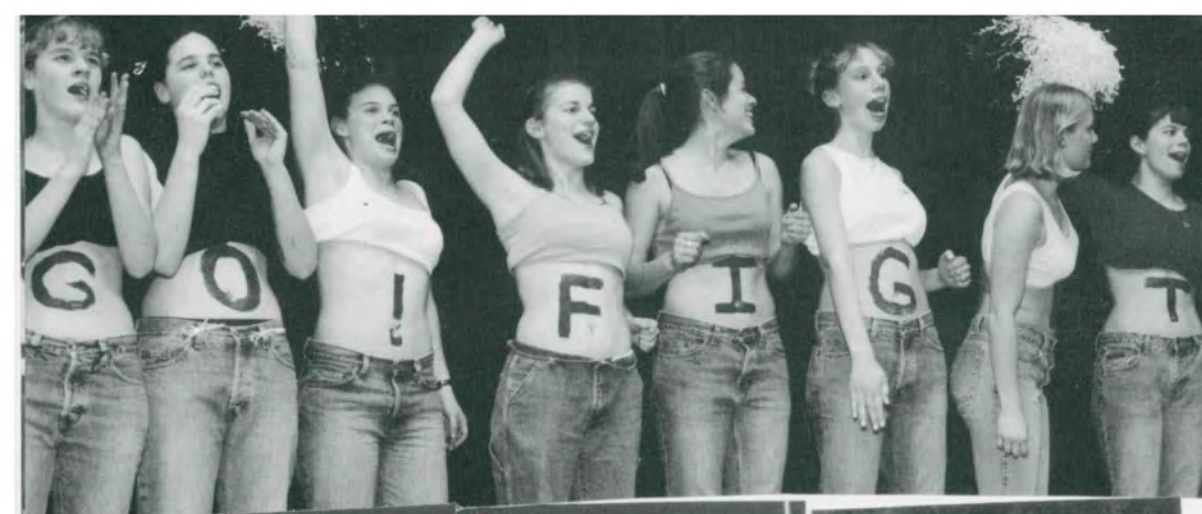

The White Team

Twice is Nice!

Winning Vermont State Championships is becoming a common occurrence for our Proctor Girls' Soccer Team. While the girls had to share the title with rival Wilmington this year, they claimed the Top Seed in Division IV for the first time ever. Even with the added pressure of defending their title, the girls had fun and improved throughout the season. Once again, they made it to the championship game and finished with a record of 12-2-3. The Phantom had a great season and although they are graduating five senior starters, they look forward to returning next year with a strong team to defend their title.

Boys' Varsity Soccer

Looking to the Future

After a long season of few players and plenty of injuries, our boys' team pulled it together for the playoffs to upset many higher seeds in Division IV. With a 2-1 loss to Cabot in the Semifinals, the boys ended the season with a final record of 6-11. Next year, the Phantoms return with two All-State players, Scott Allenby and Justin Jenne, and look forward to improving their record next year with a strong incoming freshmen class.

Front Row: Angela Champine, Becky Beyette, Amber Garrow, Alyssa Mullan, Kayla Toher. Back Row: Amanda Parker, Erika Manning-Hickey, Whitney Bates, Lauren Finnigan, Stephanie Gray, Jessica Pehm, Kristina Salerni, Mallory McDonnell, Coach Jill Grace.

Our junior high girls team, like the varsity boys, struggled with numbers this season. Yet, they practiced and played hard, and gave a good account of themselves in every contest. Jill Grace was in her first year as coach.

Amanda Parker fights for the ball.

Junior High Boys' Soccer

The boys ended their season 9-4. By all standards it was a good year for them. It was Coach Chris Chapin's second year, and things came together well for him and for the team. Significantly, the youngest Phantoms defeated, at home, the four teams that had defeated them on the road. Not a bad way to end the season . . .

Front Row: Michael Harger, Kevin McMann, Michael Brough, Josh Dobart, Kenny Crowningshield, Troy Ault, Brian Perkins, Sam Parker, Josh Upson. Back Row: Kevin Canty, Jason Corbo, Matt Parker, Jared Manning, Will Spanos, Ryan Cameron, James Rayon, Coach Chris Chapin.

Kenny Crowningshield guards the goal.

Junior High Boys' Basketball

The junior high boys team was split between 7th and 8th grade, each team (in most games) playing 7th and 8th grade opponents. Both did well on the season. But more importantly, each team received important fundamental instruction in the game and ample time for practical application of that instruction against six other schools in the area. The team is coached by Steve Allenby.

The boys are advised by their coach between quarters.

Front Row: Bryant Manning, Michael Brough, Kevin Canty, Josh Dobart, Michael Harger, Josh Upson, Brian Perkins, Athletic Director Arlen Bloodworth. Back Row: Manager Craig Charles, Coach Steve Allenby, Matt Parker, Jason Corbo, Reid Garrow, Shaun Molaski, Jordan Gusky, Will Spanos, Greg Miller, Seth Blaisdell.

Junior High Girls' Basketball

Our youngest ladies, working for first year coach Chris Stevens, had an exciting season. It started for them slowly as they struggled to gain their poise but finished strongly in decisive defeats of Rutland Town and Barstow (twice). It was a good learning season for them, their game improving markedly between November and March.

Front Row: Megan Muir, Stephanie Chehy, Becky Beyette, Olivia Kish, Kayla Toher, Alyssa Mullan. Back Row: Coach Chris Stevens, Mallory McDonnell, Kristina Salerni, Lauren Finnigan, Stephanie Grey, Amber Garrow, Erika Manning-Hickey.

Boys' Junior Varsity Basketball

Front Row: Brett Regimbald, Kevin Brough, Carlo Romeo, Brendan Hurlbut, Luke Wheeler, Coach Brian Finnigan. Back Row: Greg Roth, Ronald Cameron, Jeffrey Allenby, Mike Pratt.

The JV boys had a difficult season finding wins. Their record, however, masked the fact that, as a team, they were competitive every time they stepped onto the court. Among the high points of the year was a second-place finish in the West Rutland Tournament.

Brendan Hurlbut calls for a pass.

Kevin Brough makes a basket.

Carlo Romeo looks to make a pass.

Girls' Junior Varsity Basketball

Lady Phantoms go up for a rebound.

Megan Jones on defense.

The most winsome of this year's six basketball teams, the JV girls had a good season. Their collective good attitude (and tenacity) kept them in many tight contests. The Ladies knocked off Randy Perry's vaunted Otters at home by a healthy margin and downed Rochester both here and there. The JV girls were coached by Mike "Red" Canty.

Girls' Varsity Basketball

The Lady Phantoms huddle before a game.

The Lady Phantoms, led by seniors Shelley Ouellette and Liza Sutherland, had a .500 season overall and were, against Division IV opponents, much better than that. The girls won the Black River Tournament for the second time in three years. On top of this, the girls faced the Phantom's cross-valley rival, West Rutland, three times without a loss; one was an overtime thriller at Westside; the last a down-to-the-wire finish at home with the Ladies claiming the win with a mere four point advantage. The Lady Phantoms were coached by Randy Ouellette who was assisted by Scott Perry and Wayne Clough.

Shelley on defense.

Division IV State Champions

Front Row: Ryan LaPorte, Brin Finnigan, Patrick Rider, Tom LaPorte. Back Row: Richard Blackmer, Scott Allenby, Kevin Brough, Justin Jenne. Missing: Coach Chris Hughes.

Scott Allenby and Ryan LaPorte play defense.

Justin Jenne considers his options.

Patrick Rider goes for a three point shot.

For the first time since 1972 the Phantoms were State Champions. They had one of their best seasons in years, running up a regular season record of 16-4. The losses were to Division Three schools only. One high point (in a season of high points) was a 30 point win over Otter Valley; another was a 16 point win over the United Christian Academy, last year's Division IV champion. The Phantoms played well enough to go into the Division IV tournament season as the number one seed in the state and were accurately considered by a number of coaches and sportswriters to be the frontrunner for the 2000 Division IV State Championship. The Boys vindicated this assessment by defeating Blue Mountain 12-62 in the State Championship game. The Phantoms were coached by Chris Hughes, Coach of the Year, and Dick Wilcox.

Cheerleading

Back Row: Whitney Bates, Crystal Loso, Britany Parda, Christine Manning, Sarah Hughes, Stacey Poro, Nicole LaFrance. Front Row: Corissa LaBlanc, Amanda Parker, Heather Moore.

This year's cheerleading squad did a great job and had a lot of fun cheering for Proctor's basketball teams. They showed extraordinary pep and school spirit and made games more enjoyable for all with their cheers and acrobatics. Mrs. Rafter, coaching for the first time this year, has done a wonderful job teaching and encouraging the squad.

Indoor Track

Erin Gray, Caitlin Canty

This year Erin Gray and Caitlin Canty initiated Proctor's first indoor track team and had a very successful season. The girls practiced with Rutland High School's indoor track team and competed (for Proctor) in ten track meets at Dartmouth and Williams Colleges and in the Vermont State Championship meet at Norwich University. Both had an excellent experience with their first indoor season and also participated in outdoor track and field in the spring.

Wrestling

Andrew Thibault

Andrew Thibault wrestled this year for Proctor with the help and training of Otter Valley wrestling coaches Dick Blair and Pete Bearor. Weighing in at 189 pounds, Andrew won six Varsity, two Junior Varsity, and seven Junior High matches. He won second place at this year's Otter Valley Invitational Tournament and represented Proctor in a total of six tournaments including the State tournament at Mount Anthony.

We Remember When ...

The year 2000 was the stuff of science fiction.

Gullible wasn't in the dictionary.

We played spelling baseball with Mr. Fish.
OJ Simpson was innocent.

Kickball was all the rage.

Maryann Biro leaned on the sink and flooded the school.

Columbine became a symbol of our generation.

Mr. Kaldy squirted us with ketchup.

Learning to open the lockers was harder than some of our classes.

Eddie was Tiny Tim.

There was no such thing as the World Wide Web.

Side ponytails were cool.

The Berlin wall came tumbling down.

High school seniors were so old.

Stretch pants and slouch socks were in.

Y2K began without a whisper.

The boy's soccer team set the national record for state championships.

We traveled in herds through the halls.

A cigar was just a cigar.

The Class of 2000 won the Winter Carnival year after year.

The graduation of the last class of the 20th century seemed a lifetime away.

Transportation

1492 Thinking he has pioneered a westward route to the spice-rich East Indies, Christopher Columbus lands in the Bahamas. At the time of first European contact, about 90 million Native Americans live in North and South America.

1840 Stagecoaches offer public passenger service, and covering 15 miles a day is considered a good speed. The coaches travel in stages, changing horses at each stop. As a result, the stagecoach line is born.

1000 Pilgrimages to religious sites are seen as acts of faith. Roads and towns develop along the pilgrim routes, expanding trade and communication in Europe. Beginning in 1096, Crusades to the distant Holy Land expose Europeans to Arab culture.

1510 Spanish explorer Hernando Cortés introduces horses from Spain into the New World, changing transportation and culture for Native Americans. Cortés carries out a harsh conquest of Montezuma and the Aztecs.

1000 Leif Ericson reaches North America. **1119** Chinese invent magnetic compass. **1271** Marco Polo travels to China. **1569** Mercator creates his world map. **1750** First Conestoga wagons are built. **1839** Vulcanized rubber is invented. **1869** Transcontinental railroad spans U.S. **1894** Gondolas first appear in Venice. **1176** London Bridge is built. **1441** Portuguese explorers start slave trade. **1620** Mayflower lands at Plymouth Rock. **1804** Lewis and Clark explore American West. **1860** Practical internal-combustion engine appears. **1890** Public rides first escalator.

1690 Pirates terrorize the seas between 1690 and 1730. One of the most notorious pirates is Edward Teach, known as "Blackbeard." The fictional Captain Jack first appears in the 1904 play "Peter Pan" which inspires books, musicals and films throughout the century.

1776 During the Revolutionary War, a submarine is used in battle for the first time. Built by American David Bushnell, the one-person vessel is powered by a hand-cranked propeller. Twentieth-century submarines are complex, nuclear-powered craft used for defense and scientific purposes.

1700 Birchbark canoes provide transportation for many Native Americans. The canoes are made with a light wood frame covered with pieces of bark sewn together and made watertight with melted pitch.

1780 The first practical wheelchairs provide new mobility for those unable to walk. Early models of wheelchairs have three wheels and hand cranks to propel the chair forward.

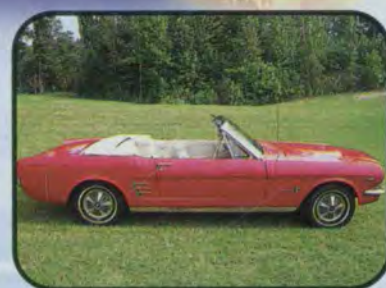

1783 France's Montgolfier brothers launch the first hot-air balloon. Filled with smoke, the silk balloon rises to 6,000 feet. Later that year, the first passengers go aloft—a rooster, a duck and a sheep.

1825 Travel by rail revolutionizes land transportation. British engineer Richard Trevithick invents the first steam locomotive in 1804, but it is 1825 before railroads haul passengers.

1863 Subways provide a new way to get around in ever-more-crowded cities. The world's first underground railway opens in London in 1863. By 1904, New York City inaugurates its first rapid-transit subway.

1908 Henry Ford's moving assembly line makes cars affordable to the masses. Ford produces the first Model T in 1908. In 1964, the sporty Ford Mustang rolls out at \$2,368 and sets an all-time record for first-year sales of a new model.

1803 Humans achieve powered flight. The first flight of Wilbur and Orville Wright's *Flyer* lasts 12 seconds and carries Orville to a height of 10 feet above the beach at Kitty Hawk, N.C.
